Its linda. I Just wanted, to, let you know something amazing. Prior to using mag oil i had an arm injury, i had torn the muscle off my shoulder and damaged several nerves. I had, been seeing an osteo and chiro for almost 2 yrs ans could never get it fixed or have the pain relieved. Everyone said it is something that would just take quite some time to heal... if it ever did. Now, i have barely any pain and i can scratch my, bad, and pick up ny children which i couldnt do previously. I can only put it down to the mag and msm so thankyou so much for allowing, me to use, it. I am so grateful to you 😊
